Dear Colleagues,

We are honored to invite you to the 16th Iranian Endourology and Urolaparoscopy Congress (IEUS), to be held on December 17–19, 2025 at the Ghalb Tehran Hotel. This congress aims to advance scientific knowledge and facilitate the exchange of experiences in urology, with a particular focus on minimally invasive techniques and procedures. The scientific program will include lectures, specialized panels, debates hands–on workshops, and live surgeries, highlighting the latest innovations and developments in the field.

The presence of distinguished national and international experts will provide valuable opportunity for scientific discussions, knowledge sharing, and fostering research collaborations.

We look forward to welcoming you to the congress and benefiting from your professional and scientific experiences, while providing a platform for in–depth exploration of minimally invasive urologic surgeries.
